**Re: Change in Project Management
Lenz Oil Site
Lemont, Illinois**

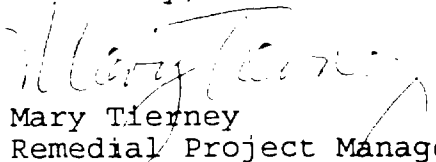

Dear Mr. Bielawski:

Pursuant to Section XIV of the Administrative Order on Consent for remedial investigation and feasibility study (RI/FS) activities at the Lenz Oil site, U.S. EPA hereby notifies the Lenz Oil Respondents of a change in project manager. As of July 25, 1994, I will be assuming responsibility as the Remedial Project Manager for the Lenz Oil site and will be the permanent replacement for Mr. Charles Brasher. Because Mr. Brasher is on vacation until then, however, all inquiries, submittals, and correspondence should be directed to me from this point on. My mailing address, telephone number, and fax number are given below.

Mary Tierney, Remedial Project Manager
U.S. Environmental Protection Agency, HSRL-6J
77 West Jackson Boulevard
Chicago, Illinois 60604
(312) 886-4785
(312) 886-4071 (FAX)

Please feel free to call me if you have any questions or would like to discuss any issues.

Sincerely,

Mary Tierney
Remedial Project Manager
